# The Little Prince

From Luca Silvestrini's Protein, tailor made for small venues and community halls

## THE SHOW

A world-famous fairytale for children and their grown-ups based on the much loved story by Antoine de Saint-Exupéry

*"Grown-ups never understand anything by themselves, and it is tiresome for children to be always and forever explaining things to them"* Antoine de Saint-Exupéry

Audience will join the Little Prince in this live stage show as he journeys through the exasperating world of grown-ups, meeting a king who reigns over nothing, a businessman obsessively counting stars and a vain man craving admiration from all who pass by. Along the way he meets a lone pilot stranded in the desert and together they discover the power and beauty of friendship and the complexity of love.

*"All grown-ups were once children... but only few of them remember it."* Antoine de Saint-Exupéry
